**Absolute Machine Tools Earns PMPA 2017-2018
Technical Member Participation Award**

[ORLANDO, FL – OCTOBER 2018] Machine tool importer and distributor Absolute Machine Tools, Inc. received the [PMPA](#) (Precision Machined Products Association) 2017-2018 Technical Member Participation award at the association’s annual meeting on October 6, 2018, in Orlando, Florida.

Technical Members of PMPA supply the machinery, tools, materials and other items used by manufacturers of precision products. The award recognizes suppliers who share their expertise and latest developments at national technical conferences, exhibit at the association’s Precision Machining Technology show, speak at chapter and national meetings and serve as PMPA leaders. Including Absolute Machine Tools, just seven of the association’s 170 technical members will receive the award.

In announcing award winners, the PMPA said, “Through their active participation, PMPA’s Technical Members contribute greatly toward keeping the Association thriving and progressive. Each company’s level of participation for the past year is measured, with those who are truly outstanding qualifying for the Technical Member Participation Award.”

Also in 2018, Absolute Machine Tools is marking its 30th year as a machine tool importer and distributor in the United States. The company sells and supports a comprehensive selection of machine tools, including its [Nexturn Swiss-type lathes](#) and [Lico multi-slide CNC screw machines](#) and twin spindle [multi-slide mill/turn centers](#) of that are of particular interest to PMPA’s precision part making membership.

Absolute Machine Tools vice president of sales – production turning Greg Knight said the award “Demonstrates the knowledge, skill and commitment of the Absolute Machine Tools team to helping its customers maximize their productivity in any way possible.”

About Absolute Machine Tools, Inc.

Absolute Machine Tools, Inc. sells and supports Johnford Bridge & Gantry Mills; You Ji Vertical Turret Lathes; Tongtai Horizontal Machining Centers (former Hitachi-Seiki OEM); Quicktech Multi-Axis Multi-Spindle Mill/Turn Centers; Lico Multi-Slide CNC Screw Machines and Twin Spindle Multi-Slide Mill/Turn Centers; Nexturn Swiss-type Lathes; AccuteX Wire EDM and Die Sinker Machines; APEC 5-axis Gantry-style Linear Motor Machining Centers; and Precihole Gundrilling Machines.
