Absolute Machine Tools and AccuteX EDM to Host Oktoberfest October 2

[MASON, OH – AUGUST 2013] Absolute Machine Tools, Inc. and its division AccuteX EDM invite all to its modern 40,000 sq. ft. Technical Center in Mason, Ohio for an authentic Oktoberfest Open House on Wednesday, October 2, 2013. The time of the event is from 11:30 a.m. – 7:00 p.m. “It’s a fun time with Bavarian foods, beers, costumes, and we will be presenting some new machine tool lines we are now selling and supporting in North America,” says company president Steve Ortner.

Among the new lines the company is now representing in include Nexturn Swiss-type lathes, Precihole deep hole and gundrilling machines, AccuteX wire EDM linear series, and a special automation display demonstrating a Fanuc robot part tending a graphite mill with a die sinker machine producing electrodes. In addition to the new brands, Absolute will also show new machine models in its existing line-up including You Ji Vertical Turret Lathes, Johnford Sliding Double Column Machining Centers, Tongtai Horizontal Machining Centers, and QuickTech Multi-Axis Turning Centers, and a variety of AccuteX EDM wire, sinker, and hole drilling machines.
