**Absolute Machine Tools Wins 2020 PMPA Technical Member Participation Award**

[Ridgedale, MO – November 2020] Machine tool importer and distributor Absolute Machine Tools, Inc. received the [PMPA](#) (Precision Machined Products Association) Technical Member Participation award at the association’s annual meeting recently in Ridgedale, Missouri. Absolute Machine Tools has been presented with this award for the last three years for its outstanding contributions and service to the PMPA. Just six of the association’s 170 Technical Member companies received the award this year.

Technical Members of PMPA supply the machinery, tools, materials and other items used by manufacturers of precision products. The award recognizes suppliers who share their expertise and latest developments at national technical conferences, exhibit at the association’s Precision Machining Technology show, speak at chapter and national meetings and serve as PMPA leaders. In announcing award winners, the PMPA said, “Absolute Machine Tools values its membership in the PMPA and is committed to growing and educating fellow PMPA members and the manufacturing industry in the United States.”

The company sells and supports a comprehensive selection of machine tools, including its [Nexturn Swiss-type lathes](#) and [Lico multi-slide CNC screw machines](#) and twin spindle [multi-slide mill/turn centers](#) that are of particular interest to PMPA’s precision part making membership.

Absolute Machine Tools Vice President of Sales – Production Turning Greg Knight said the award “Demonstrates the knowledge, skill and commitment of the Absolute Machine Tools team to helping its customers maximize their productivity in any way possible.”
